BLOSSOM designed by Catrine Åberg 2011

Pendant 65

Pendant 35

Blossom is a pendant which takes its inspiration from the dance-like flight of the dragonfly on the lakes in the South of Sweden. With that image in her mind, designer Catrine Åberg created a soft and organic shape, first as a candle holder and now also as a pendant.

Pendant in acrylic. Flex in clear plastic. White ceiling cup. Bulb included.
