Table lamp 50

Table lamp 36

Table lamp made out of two geometrical elements in white shiny opal glass; the cylinder and the cone. By the placement of the light source, the light is visible in both shade and foot. The light from the cylinder also goes downwards through the cone. Olle 36 is made in one piece of glass. Black details, white flex with switch.

	Article number	Total height mm	Max ø mm	Shade height mm	Bulb	Flex mm
Table lamp	Oll36Tw	360	150	360	11W E14 fluorescent lamp	2500
